

STACK LAMP

OSO INDUSTRIES

STACK LAMP

The solid base of crisply cast concrete is brought to a high polish, with an embedded blackened steel bridge supporting a rectangular white linen shade. The base is available in white or black concrete with white or black crushed marble chips or chunks of clear glass as the aggregates exposed on the sides of the lamp body.

MATERIALS

Hollow cast concrete block base with crushed marble chips or clear glass, blackened steel bridge, white linen shade, rocker on/off switch.

DIMENSIONS

Lamp stands 21.25" high, shade is 7" x 14"

CONCRETE COLORS

Our concrete furniture line is available in any of our 12 standard cast concrete colors. Shown at left are our signature cast concrete finishes, which are honed and brought to a high polish. Custom colors can be made by request.
